

Day 1: Core Support Services Audit

Auditee **Maintenance/General Services Director/Chairs**

Maintenance & General Services

Scope Focused on planning, environment management, and document control for infrastructure.

Key Audit Points:

Plans (6.1): Addressing risks/opportunities for service continuity.

Environment & Infrastructure (7.1.3, 7.1.4): Evaluating adequacy of facilities and ensuring a safe environment.

Document Control (7.5): Verifying systems for managing maintenance schedules, repair records, etc.

Corrective Action (10.2): Reviewing procedures for addressing nonconformities like equipment failures.

Auditee **R & D Director/Chair**

Research & Development

Scope Examining processes from R&D objective setting to resource allocation and monitoring.

Key Audit Points:

Objectives & Planning (6.1, 6.2, 8.1): Auditing R&D objectives, planning, and operational control.

Resources (7.1): Evaluating the provision and management of necessary resources for R&D.

Monitoring & Evaluation (9.1): Assessing methods to measure performance and effectiveness of R&D.

Document Control (7.5): Reviewing management of R&D documentation.

Corrective Action (10.2): Inspecting procedures for handling nonconformities in R&D processes.

Auditee **Extension Director/Chair**

Extension Services

Scope Assessing planning, implementation, and evaluation of community extension programs.

Key Audit Points:

Planning & Objectives (6.1, 6.2, 8.1): Examining how extension objectives are set and risks are managed.

Competence & Resources (7.1): Verifying resource allocation and personnel competence for programs.

Evaluation (9.1): Auditing methods for monitoring the effectiveness and impact of extension programs.

Corrective Action (10.2): Reviewing processes for resolving nonconformities and enhancing future initiatives.

Day 2: Additional Support & Cross-Verification

General Support Services Audit

Objectives & Compliance: Assessment of service objectives, risk management, and regulatory compliance. **Clause 6.1**

Facilities & Infrastructure: Review of infrastructure provision and maintenance (security, health facilities). **Clause 7.1.3**

Corrective Actions: Examination of procedures for addressing nonconformities and preventing recurrence. **Clause 10.2**

Key Auditees:

Chief Security Officer, Medical/Dental Staff

Gender and Development (GAD) Audit

Objectives & Planning: Evaluation of GAD objectives, planning, and operational control. **Clauses 6.1, 6.2, 8.1**

Resources & Competence: Assessment of resource provision and personnel competence for GAD programs. **Clause 7.1**

Monitoring & Evaluation: Review of methods to monitor, measure, and evaluate GAD program effectiveness. **Clause 9.1**

Corrective Actions: Process for resolving nonconformities in GAD implementation. **Clause 10.2**

Key Auditee:

GAD Director/Chair

Day 1: Audit Program

September 10, 2025

 **7:00 - 8:30 AM**

Arrival & Auditor's Breakfast

A warm welcome and networking opportunity to kickstart the day.

@ CD's Conference Room

 **9:00 - 10:30 AM**

Official Opening Program

 Preliminaries: Prayer, Philippine National Anthem, ASEAN & CTU Hymns

 Welcome Address: Dr. Eingilbert C. Benolirao, Campus Director

 Statement of Purpose: Dr. Jean F. Puerto, OsGin Campus Director

 Introduction of IQA Team: Dr. Gregorio Pajaron, IQA Team Leader

 Introduction of Campus Auditees: Dr. Melanie R. Albarracin, Campus QA Officer

Participants: All Auditees & IQA Team @ the Smart Classroom

12:00 - 1:00 PM
Lunch Break

1:00 - 5:00 PM
Audit Activities
Commence

EMCEE:
Ms. Evangeline Rellin

Management System Audit

Core Management System Audit Focus

Leadership & Strategic Alignment

Assessment of top management's commitment to the QMS, policy establishment, and organizational roles & responsibilities.

Clauses 5.2, 5.3

Planning & Performance Review

Review of actions to address risks & opportunities, quality objectives, changes, and management review effectiveness.

Clauses 6.1, 6.2, 6.3, 9.3

Resource Provision & Corrective Action

Evaluation of resources for QMS operation and the process for addressing nonconformities and implementing corrective actions.

Clauses 7.1, 10.2

Key Meeting Participants

Campus-Level Auditees

- Campus Director
- Asst. Campus Director
- Quality Assurance Chair
- Campus Administrative Officer (AO)

- ✓ Quality Policy (5.2)
- ✓ Risks and Opportunities (6.1)
- ✓ Quality Objectives/Targets /OPCR(6.2)
- ✓ Responsibilities and Authorities (5.3)
- ✓ Management of Changes (6.3)
- ✓ Management Review (9.3)
- ✓ Provision of Resources (7.1)
- ✓ Corrective Actions/Results of Audits/Monitoring/Accreditation/ Evaluation/RQuAT (10.2)

Day 1: Educational Delivery Processes & Faculty Competence

Educational Delivery Processes: Compliance & Performance

Risks and Opportunities in Education

Evaluation of how the university identifies and addresses potential risks (e.g., student attrition, resource limitations) and leverages opportunities (e.g., new program development, technology integration) to enhance educational quality and achieve strategic objectives.

Clause 6.1

Curriculum Design & CMO Compliance

Assessment of the systematic process for designing, developing, and revising academic curricula, ensuring adherence to relevant CHED Memorandum Orders and national educational standards.

Faculty Loading, Testing, Evaluation & Assessment

Faculty Loading (8.5): Review of workload distribution for equitable allocation.

Testing & Evaluation (9.1): Examination of student and program assessment methodologies.

Assessment & Control (8.6, 8.7, 10.2): Procedures for ensuring quality in educational outputs and implementing corrective actions.

Faculty Competence & Operational Planning

Key Auditees

Director of Instruction (DOI) & College Deans

Program Chairs:

Grad School, COED, CAS, COTE, CHMT, CAFE

Faculty Competence

Review of processes for determining and ensuring faculty qualifications, ongoing professional development, and competency enhancement programs.

Clause 7.2

Operational Planning

Assessment of how educational operations are planned, implemented, and controlled to meet academic requirements and institutional objectives.

Day 1: Financial & Student Affairs Audit

Supply & Property Management

Resources & Control: Assessment of resource management, including acquisition, storage, and distribution. Focus on resource adequacy (7.1) and addressing risks (6.1).

Nonconforming Products: Scrutiny of controls for nonconforming outputs (8.7), from identification to disposition, including planning (8.1), provision (8.5, 8.6), external services (8.4), evaluation (9.1), and correction (10.2).

Documented Information: Verification of records management for inventory, assets, and nonconformity reports (7.5).

Financial Management & Compliance

Resources & Compliance: Scrutiny of financial processes, resource provision (7.1), and risk management (6.1).

Regulatory Adherence: Audit of compliance with regulations, communication of financial information (7.4), and control of financial records (7.5).

Process Improvement: Evaluation of corrective actions for financial nonconformities (10.2) to ensure robust controls.

Student Affairs & Satisfaction

Policies & Structure: Assessment of policies, organizational structure (5.3), and risk planning (6.1) for all student services.

Service Delivery: Review of service requirements (8.2) and control of external providers (8.4) affecting student welfare.

Customer Satisfaction: Examination of student satisfaction monitoring (9.1.2), performance analysis (9.1.3), and corrective actions (10.2).

Key Auditees for Day 1

Financial & Property

- Supply Officer & Property Custodian
- Budget Officer, Accountant, Cashier

Student Affairs Office (SAO)

- SAO Dean/Director
- Admission, Scholarship, Guidance
- Placement, Culture and Sports
- Food/Canteen, Dormitory, Alumni

Resource Management & External Provisions

Auditee: PRG Director/Chair

Auditee: Librarian

Auditee: BAC/Procurement

Production & Resource Generation

Scope: Assessment of strategic planning, operational processes, and monitoring mechanisms for resource generation initiatives.

Key Audit Points:

- Planning & Objectives (6.1, 6.2, 8.1)
- Resource Provision (7.1)
- Performance Monitoring (9.1)
- Corrective Actions (10.2)

Library Services

Scope: Audit of adherence to CMOs, management of external resources, and commitment to customer satisfaction.

Key Audit Points:

- Planning & Resources (6.1, 7.1)
- Competence (7.2, 7.3)
- External Control (8.4)
- Customer Satisfaction (9.1.2)

Procurement/BAC

Scope: Examination of BAC processes, resource acquisition, and management of external providers.

Key Audit Points:

- Operational Control (8.5-8.7)
- External Providers (8.4)
- Performance/Docs (9.1, 7.5)
- Corrective Actions (10.2)

Data Management & Human Resources

Registrar & Management Information System (MIS)

ENROLMENT EXTERNAL CONTROL CONTINUAL IMPROVEMENT

Enrolment & Data Management: Assessing processes for student enrolment, record keeping, and data integrity (Clauses 8.1, 8.5, 8.6). Includes review of risk management for data systems (Clause 6.1).

External Control & Nonconformities: Evaluating control of externally provided services impacting data (Clause 8.4) and processes for addressing nonconforming outputs like data errors (Clauses 8.7, 10.2).

Improvement & Feedback: Verifying mechanisms for monitoring student satisfaction (Clause 9.1.2) and implementing actions for continual improvement in data management (Clause 10.3).

Human Resources Management Office (HRMO)

HR PROCESSES COMPETENCE TRAINING

HR Processes & Resources: Scrutinizing recruitment, performance management, and provision of necessary human resources (Clause 7.1), including risk management (Clause 6.1).

Competence & Training: Focusing on the determination and maintenance of personnel competence (Clause 7.2) and the effectiveness of training programs.

Documentation & Improvement: Reviewing control of HR records (Clause 7.5) and procedures for handling nonconformities in HR processes (Clause 10.2).

Document Controller

POLICIES PROCEDURES TUV MARKS

Control of Documented Information: Focusing on the system for managing policies and procedures critical to the QMS (Clause 7.5), including risk assessment (Clause 6.1).

Traceability & Compliance: Verifying system integrity, availability of documents, and proper use of certification marks (e.g., TUV Rheinland).

Corrective Actions: Assessing processes for addressing nonconformities in document control and implementing corrective actions (Clause 10.2).

Key Auditees for Day 1: Data & HR

- Registrar – Mrs. Jpsephine Cabardo
- MIS Director – Harvey Pangandoyon
- HRMO – Mrs. Levi U. Pangan
- Document Controller – Lyndo Biyaya

INTERNAL QUALITY AUDIT

VISION

CTU as a premier, inclusive, globally - recognized research and innovation, smart, community-responsive, and sustainable technological university.

MISSION

The University shall primarily provide leading-edge degree programs, innovative professional, entrepreneurial, and technical instruction as well as research, extension and resource generation programs that address both the needs of the region and the nation in the context of the global knowledge economy, Fifth Industrial Revolution, and sustainability.

GOALS

By the end of 2024, CTU will be globally recognized for its quality. Specifically, it will:

- Obtain a Philippine university system status with a CHED SUC Level V recognition or equivalent;
- Be ranked among the Top 10 Universities in the Philippines;
- Be an internationally recognized and ranked university (including Quacquarelli Symonds, Times Higher Education, Shanghai University Ranking, World University Impact Rankings);
- Develop innovative academic initiatives, including medical and allied fields, engineering and technology, and transnational higher education programs to enhance career pathways, qualifications, recognitions, accreditations, specialization and progression programs, and global mobility; and
- Lead innovations in the Fifth Industrial Revolution.

INTERNAL QUALITY AUDIT

SEPTEMBER 10-12, 2025

DR. RODEL S. HINTAPAN

Day 3: Finalization & Closing

September 12, 2025

Finalization & Data Collection

Concluding interviews and gathering all necessary documents and records for review.

Interviews

Documents

Info Processing & Team Meeting

Meeting

Internal data cross-referencing and critical discussions to finalize preliminary assessments.

Participants: IQA Team

Consolidation & Report Prep

Synthesizing all observations to draft the formal audit report with findings and recommendations.

Output: Audit Report

The Official Closing Meeting

Participants: All Auditees & IQA Team

Closing Agenda:

- 🚩 Preliminaries
- 🕒 Presentation of Observations & Non-Conformance
- 💡 Commitment of Campus Director

Awarding & Adjournment

Recognizing Participation & Concluding the Audit

Ceremony & Pack-up:

- 🏆 Awarding of Certificates
- 👏 Words of Gratitude by Asst. Campus Director
- 🧺 Auditors' Pack-up

EMCEE: Mrs. Michelle Duran
